2	But I said, could they consider us their	2	was on a Friday that year, the 25th. Drake,

5	them, yeah, they would consider Drake, Hileman &	5	holiday. Then when we got back, he was going to
6	Davis their attorneys.	6	continue his investigation.
7	So, I said look I made this decision:	7	When we got back in January of that year,
8	Whether technically it was a conflict of interest,	8	he called me or I called him. That's when I found
9	it certainly could have the appearance of a	9	out that Romig had resigned on the 5th and the
10	conflict, so I made a decision right then and	10	following night, Thursday, was a board meeting, so
11	there, on Thursday morning, the 7th of January, I	11	that was the 7th,
12	didn't want to represent the school in this matter	12	And I think there is a note I don't
13	against Eric Romig.	13	know if it says, but there is some reason that led
14	Q. So, you didn't go to that meeting.	14	me to believe that the board meeting was yes,
15	A. I did not.	15	"Meeting on Thursday evening, January 7th."
16	Q. Did you advise Mr. Clymer or FCA to get	16	Q. You're talking about the last sheet?

6	BY MR. GROTH:	6	Q. Nothing between December 23rd and January
7	Q. And that was Brett Mandes?	7	6th.
8	A. That was Brett Mandes.	8	A. Right.
9	Q. Do you know if he attended the meeting?	9	Q. Tell me what the conversation was between
10	A. I do know he attended the meeting.	1.0	you and Mr. Clymer on December 23rd, 2009. And
11	Q. A couple things about what you just	11.	you're free to refer to your notes to refresh your

15	on January 6th. Is that correct?	15	had a situation at his school and by the way,
16	A. Substantive. When I found out I was	16	I'm almost positive Ryan was in Alabama when we
17	getting out of the case, I called him to say "Hey,	17	were having this phone conversation on December
18	I can't handle this. Do you want me to try to	18	23rd. He evidently had some relatives down there

7	A. I wrote down the four that I believe he	7	Q. Where is that?

10	The girl claimed that in the text message	10	A. The middle of the page. It's next to

6	Q. To the right?	6	A. Well, we talked a lot. I said do you

8	Q. (Continuing) you said the girl came to	8	before talking to me, my recollection is that Ryan

11	A. I believe she was brought by a woman.	11	Q. Was that your impression, or did he tell

13	this, but my recollection, as good as that is six	13	A. I'm pretty sure he told me that. And

17	it was this mother who then said "Well, you need	17	Q. Okay.

Page 41 Page 43 Q. What does that mean? 1 Q. What else did Mr. Clymer tell you? 1 2 A. I'm not sure. I don't know if he asked 2 A. I asked him about Emily and I asked him 3 about Romig, and in regard to Emily he said that 3 her did she say that. I don't know if he asked her if she said anything like that to him. I just 4 she had had -- she is relatively new to the 5 5 school; that there had been some discipline issues was writing as we were talking. 6... Q. I'm trying to get the context from the 6 with her, but he didn't make that a big deal or.... 7 note. "A player graduated around two years ago. 7 anything like that. He didn't emphasize that. He 8 I'm going to leave my wife." 8 didn't think that she shouldn't be believed or 9 A. Oh, okay. 9 anything, just that there had been some issues. 10 Q. Go ahead. 10 I said, weil, what about Romig? And he 11 A. Lauren said nothing had ever happened 11 said, basically, Romig had been there for a long time. He was known by a lot of people. He was a 12 between her and the coach. 12 13 good coach. He was well liked. 13 Q. That's not written down here, right? A. Right, But then she says a player 14 I asked him if there had ever been any 14 15 graduated with her two years ago; she may have 15 incidents involving Romig in the past, and he said said to him "I'm going to leave my wife," and that 16 not with Romig per se. He said the previous 16 is Christine Kennedy. 17 year -- and texting was all very new at this time. 17 18 I asked Ryan, I said, "Did you talk to 1.8 He had indicated that the teachers, the 19 Christine Kennedy?" He said "No. I have a phone 19 coaches had been instructed not to text their 20 call in to her, but I haven't heard back from 20 players, or at least male coaches were instructed 21 her." 21 not to text their players. 22 22 I said, was that because of something Q. Just so the record is clear, it's Kristen 23 Kennedy, K-r-i-s-t-i-n. I know you have it spelled 23 that he did? Had there been a complaint? He said 24 Christine, but so we're referring to the same 24 no, that was just a policy -- I don't think it was Page 42 Page 44 1 a written policy -- that people thought that was 1 person. 2 2 not a good idea. So, I don't think it was limited A. All right. 3 3 to Romig. I think coaches were not supposed to MR. SANTARONE: It's t-e-n. MR. GROTH: t-e-n, thank you. 4 5 BY MR. GROTH: 5 Q. Your notes says "Told him last year not Q. You have Kristen Kennedy's name and then 6 to text." Is that right? 6 7 what after that, "gone two years ago"? 7 A. Correct. 8 A. "Gone two years." 8 Q. "Him" referring to Romig. 9 9 Q. Then your notes say "Over 1,000 texts A. "Him" referring to Romig, but I believe (1,077)." Those are to Emily Mayer, correct? 10 that was not just Romig. 10 A. Texts to Emily Mayer, correct. Q. In general. 11 11 A. Right, in general. 12 Q. Let me ask you one more question about 12 these notes: October 4th to November 30th, above Q. But did Mr. Clymer tell you that he had a 13 13 specific issue with Mr. Romig himself in texting Kristen Kennedy's name, what's that represent? Oh, 1.4 14 15 15 phone records. players the previous year? A. He may have said that Romig texted -- and 16 A. They're the phone records that Mr. Smith 16 I was very clear: I said, well, was there 17 17 was able to get that showed over a thousand texts. anything inappropriate, anybody alleging anything 18 Now, there is no breakdown -- in 18 like that? He said no. I think it was just the 19 subsequent conversations it had breakdowns between 19 20 Emily -- the ones she sent and the ones Romig 20 idea of him texting, and maybe a parent or so 21 sent. This one was over a thousand texts. I 21 didn't like that. 22 don't know if it was back and forth --22 Q. Let me go back to my question: Did Mr. 23 23 Clymer tell you that there was an issue where Mr. Q. One way or both ways. 24 Romig himself was texting a female student the 24 A. You're right.
